This liability release and agreement must be signed and returned with your entry. No cross outs or additions are permitted.

In consideration for permission to enter and participate in the New York 50/30 Mile Competitive Trail Ride and 15 Mile Conditioning Distance Ride, I do hereby for myself, my heirs and assigns, release and hold harmless Ride Management, Ride volunteers, NYS-DEC, NYSHC, ECTRA, Pure Country Campground and their agents, officers, servants, employees and officials, from all claims, demands, actions and causes of action of any kind, for injury or death sustained by me or my horse, and damage to my property, incurred during this ride arising from negligence or any other fault. "Ride" includes from the time my horse and I arrive at base camp until the time that we leave the premises, as well as the actual event. "Horse" means the animal I am riding or have entered.

I understand that horseback riding is an inherently dangerous activity and am aware that 1. The ride involves being in areas for extended periods of time not close to communications, transportation, medical and veterinary assistance; 2. That these areas have natural and man-made hazards, which Ride Management cannot anticipate, modify or eliminate; 3. That both my own horse and those of other participants can be excitable, difficult to control and unpredictable, and can panic, bite, rear, kick, strike, stumble or fall; 4. That as a result of participating in the ride my horse or I may be injured, die or my property damaged.

In the event that the Rider/participant initiates a lawsuit against ride management, ride volunteers, NYS-DEC, NYSHC, ECTRA, and their agents, officers, servants, employees and officials as a result of his/her participation in the ride, and said Rider/participant fails to establish liability or fault of the above-named entities, the undersigned agrees to pay all litigation costs and legal expenses incurred by the above-named entities in defending said lawsuit. It is further agreed that the above-named entities may assign their right to recover legal fees and expenses to their insurance carrier.

I agree to take full responsibility for my horse and myself. I recognize that the ride is a strenuous activity and I represent that my horse and I are in adequate physical and mental condition to participate. I recognize that my participation in the ride is voluntary. I agree to wear certified (ASTM F1 163/SEI) protective headgear at all times when mounted throughout the ride. In addition, my participating equine will have a current 2017 negative Coggins test, and will be properly vaccinated against rabies. I also consent to a drug test upon my horse if requested.

I HAVE READ AND UNDERSTAND THE ABOVE LIABILITY RELEASE AND AGREEMENT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.

The 15-mile ride will take place Saturday June 24-Sunday June 25. Pre-ride exams will be available starting at approximately 3:00 PM following the vetting out for the 30 milers. Non-camping riders and horses will need to be on site by 7:00AM of ride day.

COGGINS & RABIES

A negative Coggins certificate is required for each horse. This certificate must be dated 2017. A copy should accompany the entry form; otherwise it must be presented to ride personnel before horse may be unloaded. All horses will also be required to have a 2017 rabies vaccination.

DIVISIONS

Juniors will ride as a separate division.

Waiting list

In the event that the ride fills, a waiting list will be maintained; those entrants will be notified of an opening ASAP.

Trails

Trails consist of forested woods trails and hard packed dirt truck trails. **There are No Paved Roads**. There are many hills. All trails will be plainly marked. Mileage markers are placed every 5 miles and every mile in the last 5 miles to assist in timing. Any horse that leaves the marked course by mistake or any other reason must re-enter the course at the same point from which it left. Time consumed by such digression must be included in the rider's total elapsed time. Except for safety reasons, riders may not at any time dismount and proceed on foot. Because some areas are rocky, shoes are recommended.

Pre-Ride Briefings

Pre-Ride Briefings and Newbie Meetings will be at dinner both Friday and Saturday night. All riders are strongly encouraged to attend.
